James McDonald
Associate Deputy Director
for Administration
Central Intelligence Agency
Washington, DC 20505

Dear Mr. McDonald:

I would like to express my appreciation for the highly responsive and cooperative manner in which Dan King assisted us recently by arranging to have [redacted] brief a special NSA team on your Agency's acquisition process and the advantages and disadvantages of a decentralized acquisition system.

STAT

The team had been charged by the Director, NSA, with expediting our Agency's acquisition process and was seeking information on alternative methods and concepts. The briefings presented by [redacted] were exactly what was needed and were of immeasurable benefit to the team in their deliberations. In fact, we may wish to call on them again in the future to explore decentralization concepts in greater depth.

STAT

In the meantime, please convey my warmest personal thanks to Mr. King for making it possible for [redacted] to visit NSA and share their professional expertise with our special team. They did a truly superb job and their willingness to assist us exemplifies the excellent rapport that exists between our two organizations.

STAT

In this regard, I know that you and [redacted] have had an excellent working relationship throughout his assignment as the Assistant Director for Installations and Logistics. As his successor, I am looking forward to meeting you and to exchanging experiences and ideas of mutual interest.

STAT

Sincerely,

[redacted signature box]
